Issue No. 11

February 7, 2019

Juan Melián

Dear Charter Oak Families:

As you might have heard in the past months, this year Charter Oak is working on the *Welcoming Schools Initiative* happening across the district and involving all our wonderful public schools in the system. At Charter Oak we pride ourselves on having a school and community that are open, inclusive, welcoming, and caring. Our IB identity is built around the notion of creating a peaceful world through intercultural understanding and respect. But the work and the commitment never stop. We remain active in our goal of making sure that here at Charter Oak we all feel at home.

The *Welcoming School Initiative* gives us a tool to do precisely that. It provides an assessment tool that offers us a means of collecting feedback from you and all involved in the school.

In the weeks ahead we will be communicating with you in different ways to collect that feedback. We will start with a brief survey that is designed to gather data about the effectiveness of welcoming and partnering with all of you, our families. In this survey, that you will be able to access soon through our website, PTO and through school email blasts, we will ask several questions that will measure our ability to include you in your child's education, our success in giving you the information you need from us regarding your child's progress, or the opportunities you have in providing input. This survey, also includes a fundamental question, "Does your child's school make you feel welcome?"

The *Initiative* also includes the creation of Family Focus Groups, with the goal of deepening our understanding of what is working well and what can be improved. We will review our website, which will experience a complete transformation next year. We will be the subject of "shopper calls," and we will have a sister school in town visit, that will conduct a walkthrough and will provide us with invaluable input. Using all that our school-based team (with family participation) we will look at the feedback and come up with a plan. Please stay tuned for more information and don't hesitate to let me know if you would like to know more or would like to participate in any way.

In the meantime, please accept my gratitude for your partnership and for all you do to support us as we work with your wonderful children. We are all looking forward to the upcoming conferences that will start in a few weeks. Our children are already starting the reflection process that leads to these student-led discussions that makes all of us so proud!

Queridas Familias de Charter Oak:

Como espero hayan oído en los meses pasados, este año nuestra escuela está trabajando en una iniciativa llamada *Escuelas Acogedoras*, que se está produciendo en todo el distrito y que involucra a todas nuestras maravillosas escuelas públicas en West Hartford. En Charter Oak, nos enorgullece tener una escuela y una comunidad que son abiertas, incluyentes, acogedoras y cálidas. Nuestra identidad como escuela IB se construye alrededor de la noción de crear un mundo pacífico a través de comprensión intercultural y respeto. Pero el trabajo y nuestro compromiso nunca para. Permanecemos activos en lograr nuestro objetivo de que todos ustedes se sientan en casa en Charter Oak.

La Iniciativa de *Escuelas Acogedoras* nos da la herramienta para conseguir ese objetivo. Nos ofrece los medios de obtener sus opiniones, sus preocupaciones, e ideas de una manera estructurada y eficaz.

Durante las próximas semanas estaremos en comunicación con todos ustedes para empezar a recabar sus opiniones. Empezaremos con una breve encuesta diseñada para que nos den su opinión sobre nuestra efectividad en hacerles nuestros aliados en la educación de sus hijos. En esta encuesta, a la que podrán acceder en nuestra página web y a través de emails del PTO y de la escuela, les preguntaremos sobre nuestra habilidad de incluirles en la educación de sus hijos, de nuestra capacidad de darles la información que ustedes necesitan para saber del progreso de sus hijos, o de las oportunidades que ustedes creen tener para dar su opinión. Esta encuesta, incluye la pregunta fundamental, ¿Considera que la escuela de sus hijos le hacen sentir bienvenidos?

La Iniciativa también incluye la creación de Grupos de Enfoque con el objetivo de profundizar en nuestra comprensión sobre lo que funciona y lo que puede mejorar, revisaremos nuestra página web completamente, seremos los sujetos de llamadas telefónicas aleatorias para comprobar nuestra servicialidad, y recibiremos la visita de un equipo de otra escuela de West Hartford que nos dará su opinión sobre lo que ve. Con todo ello, nuestro grupo en Charter Oak, con la participación de padres, mirará todo lo recogido y elaborará un plan de acción. Permanezcan atentos para más información y no duden en hacerme saber si les gustaría saber más sobre el tema o si querrían participar de cualquier manera en esta iniciativa.

Mientras tanto, les agradezco de todo corazón su apoyo conforme trabajamos con sus maravillosos hijos y les esperamos con mucha ilusión en las conferencias que empezarán en unas semanas. Nuestros chicos ya empiezan el periodo de reflexión que llevará a las conferencias lideradas por ellos y de las que estamos tan orgullosos.

What's Cooking at the FRC

Last Friday a cast of third, fourth and fifth grade risk takers and communicators took to the stage and performed "**Cry Wolf**" an original musical. This year's show, produced by the COIA Family Resource Center in partnership with Children's Stage Adventures, was based on the fable The Boy Who Cried Wolf.

Our thanks to all the parents and staff who helped make the show a success. The FRC has produced shows at Charter Oak for the last 22 years. Once again our actors learned their lines, lyrics and choreography in only 3 days- and they rocked the house!

Please save the date: **Family Academy, March 30, 2019**

Registration is now open for "**1,2,3 Read with Me**" the FRC's **summer program** for children who will be entering kindergarten in the fall. "1,2,3 Read with Me" will run from June 24- July 19 at Charter Oak. Children may enroll for either morning or afternoon sessions. Tuition for the entire program is \$80. Please stop in the FRC for more information.

Dear Charter Oak Community,

I wanted to share information about a great event that The Foundation for West Hartford Public Schools hosts each year, West Hartford's 'Cookin'. This annual fundraiser supports The Foundation's annual grant awards, which help fund fantastic curriculum-based learning grants for our students, as well as for the entire West Hartford public school system. If you are interested in attending on March 30th or finding out more information about the event or The Foundation, please visit their website at www.fwhps.com or you can buy tickets directly at <https://one.bidpal.net/whcookin2019/welcome>. (If you buy tickets before February 15th using this promotion code: EARLYACCESS, you will receive a \$10 discount per ticket).

You may recognize some of The Foundations grants in action at Charter Oak like the Trip to the United Nations grant, which is a unique experience for 88 students in the 5th grade from Charter Oak International Academy along with a select group of students from the Human Rights high school class, where they will travel to the United Nations in New York City and receive a personalized tour by a multilingual tour guide discussing issues ranging from human rights to sustainable development.

Best regards,

Dear Charter Oak Families,

As part of our Welcoming Schools Initiative we are asking you to complete the following survey. It will take you no more than a few minutes to complete. This survey is a very important means for us to collect feedback from the community in our efforts to create a school that is welcoming and inclusive. Your answers will be kept strictly confidential.

Thanks for your support!

Express Yourself!

Kindergarten is currently in their "Express Yourself" IB unit. We have been so excited to welcome talented guests from our community to share their artistic gifts. Students have had the opportunity to witness our very own parent, Ms. Lisa Scranton, explain her creative process of decorating cakes with fondant. They have had the pleasure of listening to Javier Colon, a musician who happens to be a kindergartener's father. We are eagerly awaiting a violin/piano performance from Mr. Shin (also a parent) and Charter Oak's fifth grade teacher, Ms. Kendrigan. Children are beginning to open their eyes to the talents within us and around us.

News from Español:

¡Hola a todos y Feliz Año Nuevo! It is this time of the year again when our students switch from one world language to another and when they get to awaken some of those words, expressions, songs and rhymes they have not used in months.

Speaking of songs and rhymes, there is an important event happening at the end of March in town. West Hartford Public Schools are going to host the annual COLT (Connecticut Organization of Language Teachers) Rhyme Celebration at King Philip Middle School. In this festival of world languages, groups of children from different school districts in CT present a variety of songs and rhymes in the target language being taught at their school. Examples of languages represented include Arabic, Chinese, French, German, Italian, Portuguese, Spanish and Urdu, among others. This wonderful event involves students from Pre-K all the way to 6th grade. Charter Oak will have the honor to be one of the schools representing West Hartford with two groups of students from Pre-K and 2nd grade, singing in Spanish and Chinese, respectively. The date is March 27, from 5 to 7 pm.

Our World Language program, as you probably know by now, is unique in our district. Unlike the other public elementary schools in West Hartford, our students start taking Spanish twice a week for 30 minutes in Pre-K for the whole year. From Kindergarten on to 5th grade, they have half a year of Chinese and half a year of Spanish or vice versa. The purpose of our program is to provide our students with the opportunity to explore other world languages and culture through cultural awareness and early language exposure.

In our Pre-K and Kindergarten classes, students have been learning about the Spanish culture and language through a number of interactive communicative ways, including songs, rhymes, games and books, among others. The focus has been mainly on listening and speaking skills. We have covered many topics including: sharing feelings; greeting each other; using polite words; naming the colors; identifying shapes; counting small numbers up to 10; naming farm animals; talking about season-related vocabulary; naming body parts; expressing likes and dislikes; and identifying family-related vocabulary. Our kindergarteners also spent several weeks learning about the Mexican culture; making paper sombreros; and dancing the Mexican Hat Dance song (as shown in one of the pictures below).

In first and second grade, our students have also been developing their listening and speaking skills, but unlike their younger counterparts, they have started reading and writing in the target language. The themes have been numerous, consisting of greetings, calendar-related vocabulary, numbers 1 through 30, the weather, classroom objects, and clothing items. Our second graders have also been spending some time learning to talk about themselves by sharing their "Así soy yo" mini-books on the Smartboard and practicing basic personal information with the use of puppets.

Our Spanish curriculum for 3rd, 4th and 5th graders targets all four communication skills (listening, speaking, reading and writing). During these three years, our students engage in activities such as: short skits and dialogs, charades, little projects that they present to their peers, technology based games and activities, (see picture below of 5th graders playing Quizlet.live to practice "los adjetivos") and worksheets, among others. The overarching themes for each grade levels are:

In 3rd grade: "Mi mundo" - it is everything related to their world, including their personal information, greetings, and their favorite things. They also learn the Spanish alphabet and review and expand on topics learned in previous years.

In 4th grade: "Mi día" - relates to their daily routines, including family-related vocabulary, school, food and meals, their favorite sports and pastimes.

In 5th grade: "Mi viaje" - covers topics relating to travel such as clothing, passport and personal descriptions, Latin American countries and telling time, among others.

During all these years of exposure to the target language, our students also learn about the culture and make connections to some of the IB Transdisciplinary units covered under their Language Arts, Social Studies and Science. These units include global topics such as weather and the seasons, traditions, communities, currencies, ecosystems, and forms of government.

For more information or questions about our program, please feel free to contact me via email at montse_rich@whps.org or by phone at (860) 233-8506 ext. 2963.

West Hartford Cultural Council
Since 1951

Coming soon!: 2019 Campaign for the Arts

We would like to extend our thanks to our Charter Oak families for their support to the arts and especially to the annual WH Cultural Council over the years.

Since 1951, the Cultural Council has brought an exciting variety of musical, dramatic, and visual arts experiences to West Hartford's elementary schools.

The organization brings performances every year to West Hartford's 11 elementary schools. The Cultural Council is solely funded by parent, community and family donations and has a fundraiser each spring to generate income for the following year's performances/programs. Each school, no matter what the fundraising result or effort, is provided with equal programming and exposure to these performances and offerings.

This year's Cultural Council show, "Arabiqa", by Karim Nagi, will take place on Friday, February 22 at our school (PreK-1 @ 9:15 & Grades 2-5 @ 10:15).

To extend your child's experience, we invite you to learn more about this program that showcases Arab culture through music, dance and acrobatics at

www.karimnagi.com/arabiqa

and to visit the WH Cultural Council Facebook page.

<https://www.facebook.com/West-Hartford-Cultural-Council-390774657715943/>

We appreciate your financial support (or any other support) and for letting us know that you also think the arts are vital to a well-rounded education. More details to come!

Thank you!

New Cafeteria Share Table

Our new share table and refrigerator

Remember this photo (above)?

It was taken during our waste audit last Fall revealing 25 lbs of edible food waste which we generate daily - feeding landfills, not people! Charter Oak students started asking WHY? and WHAT CAN WE DO? Charter Oak students started asking...

👍 What's IN	👎 What's OUT
Unopened	Items from home
Uneaten	Items from your table
Pre-packaged	Fruit with in-edible skin
Fruit with in-edible skin	Fruit with edible skin

Why so much waste? Federal nutritional guidelines require students take a minimum of 3 food items, at least 1 a veggie or fruit, which means students may end up with food on their tray that they simply won't eat.

What can we do? With the help of a few grown-ups - and the local Board of Health and Nutrition Services Department - students discovered something called a "Share Table" which will allow students to share their extras.

Student Government has been hard at work preparing their fellow students for this change along with a few simple guidelines.

- Educate.** Remind students they don't need to take one of everything, e.g. milk is not a required part of a meal! Ask yourself, "What does my body need today?"
- Share...**only pre-packaged, unopened and uneaten food items from the cafeteria. To maintain the freshness and safety of food items, students must drop-off share items immediately after check-out and before sitting down.
- Take what you need, leave what you don't.** Any student may walk to the Share Table (raise your hand and ask for permission!) and take up to 1 drink and 1 food item from the Share Table at a time.
- Monitor.** A parent volunteer will be on-hand every day as we intro the Share Table. Please contact Kim Hughes, hugheskima@yahoo.com, if you'd like to help!

Please take a few minutes to discuss this information with your child. This is a great opportunity for learning!

Don't hesitate to reach out with any concerns or questions you may have: Email IB Coordinator Kirsten Sanderson at kirsten_sanderson@whps.org.

Charter Oak students are eager to gather more information and have a deeper understanding of where our food waste comes from...and so are the grown-ups! This Spring we plan to conduct more waste audits with a focus on cafeteria food.
