We are so pleased with the improvements in the safety of our parking lot! Please continue to follow the new procedures and be sure you are stopping at the stop signs. Thank you to everyone for helping to make our school grounds safe for our students.

Communication between home and school is important for student success. Many teachers have their blogs up and running and others will be having you subscribe to their blogs on Curriculum Night. Our school goal is that classroom teachers communicate at least once a week with families about what is occurring in the classroom. If you ever have any questions, please do not hesitate to reach out to our staff.
