

MONTHLY PRINCIPAL UPDATE FOR PTO – April 19, 2018

SPECIAL EVENTS & INFORMATION:

- The **Wolcott Talent Show** prior to our spring vacation was a huge hit! Students displayed their talents and skills in an event that was fun for everyone. Our first **International Night** brought many families to Wolcott, as we celebrated the myriad cultures that exist and thrive at our school. Prior to vacation, we welcomed the **StepAfrika!** group, organized by our West Hartford Cultural Council. Students and staff alike marveled at the movement and energy, and this event promoted cross-cultural understanding in engaging ways.
- We look forward to our upcoming visit from the author, **C. Alexander London**, on April 24th. Mr. London is the author of many books for children and teenagers, including *The Wild Ones* series and two titles from *The 39 Clues* series.
