

2016/17 BOE Art Show List

Board of Education Art Show

Every year, Wolcott School exhibits artwork on the **4th floor** of the **Education Center on 50 South Main Street** with another elementary school. This year, we will be sharing the bulletin board space with Norfeldt School.

It is quite an honor to have artwork selected, since it is on view for many important people to see. The art show will be on display from **December 19, 2016 until January 19, 2017**. **One of the bulletin boards with Wolcott student artwork is around the corner, in a separate hallway from the other three bulletin boards. Make sure to see it as well!** Congratulations to all the hard working artists!
