Important Guidelines

The last day of school is scheduled for June 11. Any snow and/or emergency days will be made up after June 11 in order to provide 182 instructional days. Information regarding closings or delayed openings can be obtained by listening to your local TV and radio stations, and by going to the West Hartford Public Schools website (www.whps.org). It is sometimes necessary to close school early in the day due to weather conditions or building issues. Please be sure your child knows where to go in such instances if there is no one to receive him/her at home.
